This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request filed August 12, 2008, by KMC Data, LLC (“KMC” or “the Company”) for approval of a name change of the company. KMC requests the Commission’s approval of the company’s name change from KMC Data, LLC to Hypercube Telecom, LLC. A review of the Commission’s records reveals that KMC was granted authority to provide resold and facilities-based local exchange and resold intrastate interexchange telecommunications services within the State of South Carolina by Commission Order No. 2001-708, issued August 7, 2001.

Upon KMC’s filing, the Commission’s Docketing Department instructed the Company to publish a Notice of Filing in newspapers of general circulation in the areas affected by the name change request. KMC complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. The purpose of the Notice was to provide notification of the present proceeding to any interested parties and

to advise interested parties of the manner and time in which to file pleadings to participate in the docket. No protests or Petitions to Intervene were filed in this matter.

KMC advises that the company has changed its name to Hypercube Telecom, LLC. According to KMC, the name change will have no impact on public interest considerations. KMC states that service to the customers will not change and that there will be no change to the rates, or terms and conditions of service. Additionally, KMC advises that management and operating personnel will not change, and the contact person for both customers and the Commission will remain the same. KMC attaches to its request a copy of the Delaware Certificate of Amendment of Certificate of Formation of the Company along with a copy of the Amended Certificate of Authorization for Hypercube Telecom, LLC issued by the South Carolina Secretary of State.

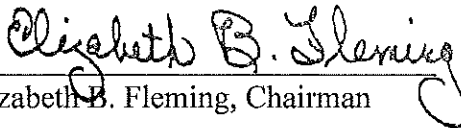

After review and consideration of KMC's request, the Commission concludes that the request for approval of a change in the company's name should be granted.

IT IS THEREFORE ORDERED THAT:

1. The request for approval of a change in the name of KMC Data, LLC is approved, and accordingly, the Commission's records will hereby be amended to reflect the company's new name of Hypercube Telecom, LLC.
2. The Company shall file tariffs reflecting the new name within thirty days of the date of this Order.

3. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:
